2025 - A-Level Program

Ethan, HCI

Our tutors goes the extra mile to make sure that any doubts will be clarified even if it means extending beyond lesson time...

Jamie, JPJC

My tutor was v patient in explaining things I didn't understand and would often provide one to one consultation when I need it...

Charis, RJC

Ms Agnes was very encouraging, she focused on explaining the basic concepts and provided many apt practices which helped my chem grade climb steadily ...

Trial Lesson

The first lesson will be a trial. We will waive off the trial fee if student didn't sign up. Upon signing up, the trial will be counted as the first lesson.

A trial lesson can be beneficial for students because it allows them to determine whether the program is a good fit for them and their learning style, and can give them a sense of what they can expect from the program.
